As a current Assistant Teacher for Head Start, I am looking to further my career with LHDC into the Teacher position at the North Spencer Head Start. I am currently in school to further my education so I can continue to grow within this company. Along with furthering my education I already have experience with teaching strategies, lesson plans, and child safety. These things allow me to guide the children educationally and developmentally.

EDUCATION

JUNE 2020- PRESENT

OWENSBORO TECHNICAL COMMUNITY COLLEGE

I am currently enrolled into an associate's program to work towards a major in Psychology and a minor in Social Work. I have completed the classes for a CDA and will complete my associates degree in December, in which I will then transfer to WKU to finish my bachelor's degree.

JUNE 2011- MARCH 2013

COSMETOLOGY LICENSE, REGENCY BEAUTY INSTITUTE

In the part time program, I was able to time manage working full time and attending school. In school I earned a spot in the honor program with my attendance, schoolwork and drive to better myself.
