ACT Composite: 31 / English: 33 / Mathematics: 30 / Reading: 30 / Science: 30

Relevant Coursework: AP Biology, Chemistry Honors, Health Science 1-3 (Health Science 3 Honors), Medical Terminology, Anatomy and Physiology Honors, and Health Science Clinic Study

---

## **Experience**

### **Chair of Competition Preparation Committee, HOSA (Health Occupations Students of America)**

09/2018-Current (11th & 12th) (Approximately 20hrs/year)

- Help prepare all members of HOSA at my school for their respective competitions at SLC and International Leadership Conference (ILC) (12th)
- Complete medical-related volunteer work to raise awareness
  - Taught kids fire safety and wound management (as part of our annual teddy bear clinic/safety fair), represented HOSA at our school's open house, and helped with trunk or treat
- Attended both conferences in 2019

### **Volunteer, Emergency Medical Services (EMS)**

07/2019-Current (11th & 12th) (70+ hrs and counting)

- Volunteer for 12 hours with my mom on an ambulance on weekends
- I help check all the supplies off the truck, clean the truck, and transport patients from hospital to hospital. While the patient is in the ambulance, I help take vital signs and keep the patient company until we reach their destination. Once at the destination, I help the EMS crew unload the patient and transport them into the hospital
- As I volunteer, I learn more about the medical field, preparing me for my future career goal and confirming that the medical field is for me

### **Member, Honor Societies**

09/2018-Current (11th & 12th) (Approximately 10hrs/year each)

- Currently a member of three honor societies: National Science Honor Society (09/2018), Rho Kappa National Social Studies Honor Society (09/2018), and Mu Alpha Theta National Math Honor Society (09/2019)
- In the National Science Honor Society, I grow plants in our greenhouse on campus then plant them in areas that need more vegetation
- In Rho Kappa, I represented the social studies discipline at open houses and at other events such as a trunk or treat
- In Mu Alpha Theta, I help tutor students in math and compete at competitions

### **Founder and President, Science Olympiad**

09/2019-Current (12th) (2hrs and counting)

- Founded Science Olympiad at the Academy for the Arts, Science, and Technology (branch of National Science Honors Society)
- President of the branch and help prepare teams for their respective competitions (similar to HOSA Chair of Competition Preparation Committee)

### **Manager, Seaboard Bedding and Furniture**

09/2019-09/2020 (20-40+ hours/week)

- Managed warehouse of a furniture store in Myrtle Beach, SC
  - Helped me develop problem solving skills, teamwork skills, and leadership skills
- 

## **Honors/Awards**

### **1st Place Medical Terminology HOSA State Leadership Conference in Charleston, SC**

03/2019 (11th)

- Studied for months and then competed at the South Carolina State Leadership Conference
- First place in the state of SC for medical terminology
- Horry County Schools not only paid for me to attend and compete at the International Leadership Conference in June of 2019 at Disney World but also gave me an award at an award ceremony they hosted at the Horry County Schools' district office

### **Finalist in 6th Annual South Carolina High School Writing Competition**

03/2019 (11th)

- Wrote an essay and submitted it to the University of South Carolina Honors College's 6th Annual High School Writing Competition
- Later notified that I was a finalist in the competition and traveled to the honors college to write an impromptu essay for the grand prize
- Both my initial essay and my impromptu essay will be published in a book that contains all the finalist's writings, published by the University of South Carolina's Honors College

### **CollegeBoard AP Scholar**

07/2019 (11th)

- I was awarded the AP Scholar award by CollegeBoard for scoring a 3 or higher on 3 AP Exams
- I scored a 5 on AP Human Geography, 4 on AP European History, and 4 on AP Biology

### **Junior Awards Ceremony**

05/2019 (11th)

- At my junior awards ceremony, I received the following awards from teachers:
  - Outstanding Academic Achievement in Spanish 2
  - Excellence in Medical Terminology
  - Excellence in Calculus Honors
- I received the following awards from colleges:
  - Lander Junior Fellow
  - USC Aiken Scholar
  - 2019 Junior Fellow Scholar
