EXPERIENCE

ENTERPRISE INNOVATION INSTITUTE
Intern / Center for Economic Development Research

Atlanta, Georgia
May 2021 – August 2021

- Researched and compiled six economic recovery and resilience strategies for Southwest Georgia to implement during their recovery from Hurricane Michael
- Filled knowledge gaps through the collection of data from sources such as the U.S. Census Bureau, the U.S. Decennial Census, and the American Community Survey five-year estimates
- Streamlined grant application reviews for the Economic Development Research Program by creating an application review matrix
- Developed data analysis and professional writing skills by authoring a *Demographic Report* and *Economic Overview* report on Athens-Clarke County, Georgia

CRAZY LOVE COFFEEHOUSE
Barista

Roswell, Georgia
December 2020 - Present

- Crafted a variety of coffee, tea, and espresso-based drinks, made and served house-made sandwiches, waffles, and salads, and provided kind customer service in a fast-paced environment
- Processed transactions totaling thousands of dollars a day
- Balanced full-time university class schedule with approximately fifteen hours of work per week

STARBUCKS
Barista

Roswell, Georgia
July 2019 – July 2020

- Ensured quick movement of hundreds of drive-through customers daily, while balancing the needs of café customers by multitasking between hot and cold bars as well as drive-through point of service
- Ensured each customer's order was fulfilled in one minute by utilizing teamwork skills with fellow baristas
- Regularly chosen as primary barista because of speed, precision, and excellent multi-tasking skills
- Balanced rigorous high-school academics, varsity basketball, and approximately fifteen hours of work every week
