Anticipated May 2023

St. Mary's College of Maryland (SMCM), St. Mary's City, Maryland (MD)

Awards:

- *Presidential Scholarship Award* is awarded to students who typically rank in the top 15% of their class, present a cumulative unweighted GPA exceeding 3.0, and achieve a combined SAT 1 score of 1100 or higher.
- *FFA/4-H Scholarship Award* is awarded to students who are in FFA and 4-H for 3 or more years and performed a learning experience along the way
- *Delegate Scholarship Award and Senate Scholarship Award* are awarded to students who are eligible to apply to FAFSA and are seeing a secondary education

High School Degree, Agriculture

June 2019

North Caroline High School (NCHS), Ridgley, MD

Awards:

- *Future Farmers of America (FFA) State Degree* is awarded to members of the FFA organization that apply to an application where they perform an SAE (Supervised Agricultural Experience) which is required for all FFA members and serves as a great way to apply classroom principles in the real world. Members must complete a two-year SAE to get their chapter and greenhand degree before this degree is awarded.
- *FFA State Star Degree in Agriculture Science* is awarded to members of the FFA organization who has done an SAE and are considered for their highest accomplishments in their SAE. This degree can be applied to at the same time as members apply for the State Degree.
- *FFA Proficiency Award in Veterinary Science* is awarded to members of the FFA organization in the category of Entrepreneurship/Placement in Veterinary Science where they work for a business that includes working with veterinarians in clinical practice, research facilities, colleges of veterinary medicine, animal health industry, or any other environment in which they assist veterinarians in performing duties related to the health of people and/or the health and welfare of large and small animals.
- *FFA Proficiency Award in Agriculture Science Research* is awarded to FFA members in the category of Agriscience Research-Animal Systems where members research in the life processes, health, nutrition, genetics, management, and processing of animal systems related to small animals, aquaculture, livestock, dairy, horses and/or poultry.
- *American FFA Degree is the highest degree* that an FFA member can get. This degree shows an FFA member's dedication to his or her chapter and state FFA association. It demonstrates the effort FFA members apply toward their supervised agricultural experience and the outstanding leadership abilities and community involvement they exhibited through their FFA career.
- *The Town of Denton Maryland Proclamation* was awarded to members of the St. Luke's United Methodist Church for constructing blessing boxes that are stocked with non-perishable food items, basic toiletries, baby supplies, and anything else that might be considered a "blessing" to someone who finds themselves in need. Items are anonymously donated and anonymously received.
- *Academic Achievement at the Agriculture Technology and Animal Science* is awarded to members of the Agriculture major at North Caroline High School where they show academic achievement in their specific class or organization.
