Lake in the Hills, IL 60156 | 224-253-8290 | jscrusader1999@gmail.com

Education

ENVIRONMENTAL SCIENCE B.S. | 2022 | LEWIS UNIVERSITY

- Sustainability Concentration
- Extracurriculars: Cross-Country and Track, AthLEADership Academy Character Education (AACE) by Character Plus

Skills & Abilities

MICROSOFT AND GOOGLE PRODUCTS

- Results and interpretation of data were configured through Excel
- Our data would also be presented in mediums such as Word and PowerPoint
- For collaborative projects we have mostly worked in-person, but other times we have online collaborations using Google products

RESEARCH PROJECTS

- Formulated an understanding on researching and presenting gathered information
- The use of scholarly sources and scientific data have been interpreted to fit the relevance of the research in an accurate and informative manner

FLUENT IN SPANISH

Experience

CREW MEMBER-BURGER KING | APRIL 2018 - AUGUST 2018

- Assisting with food preparation, restocking of items, cleaning, and taking care of customer purchases

NORTHWESTERN FITNESS CENTER | JUNE 2019 - AUGUST 2019

- Allowing members into the pool area and monitoring the pool area from atop the slide
- I gave turns to the members utilizing the slide

UNDERGRADUATE RESEARCH-GOLDEN EAGLE RESEARCH PROJECT| DRAPER NATURAL HISTORY MUSEUM (CODY, WY) | AUGUST 2020 – DECEMBER 2020

- Golden Eagle behavior research with an emphasis on the organism's diet through camera imaging
- Motivations for this project are related to conservational issues pertaining to climate change, poaching, disturbance, electrocution, poisoning, collisions with manmade structures, and habitat loss

PUMA-STEM SUMMER RESEARCH | NATIONAL SCIENCE FOUNDATION (NSF) | JUNE 2021-AUGUST 2021

- Compared abundances of dragonfly and damselfly species between adult and larvae populations
- Prepared and presented a poster presentation to share the findings
