OBJECTIVE

I love to create eye-catching and unique art pieces. As well as, working to create aesthetically pleasing, current and successful designs. I am well versed in Color Theory and analyzing the way to use elements of design to portray specific visual messages. I pride myself to be a well-rounded designer and would like to find opportunities to continue to grow in my abilities and experience.

EXPERIENCE

September 2011- Present

Digital Artist • Freelance • Abbey Fry Art & Design

- I create original artwork for friends, family, and commissioned pieces using Adobe Photoshop, Illustrator and or InDesign.

August 2012 - Present

Product Creator • Commission • IMVU

- I draw and redesign avatar products for the 3D alternative universe IMVU.com that can be bought and worn by the user's avatar.

August 2022 - Present

Volunteer • Nursery Scheduling • Mount Morris Community Church

- I am in charge of creating and filling in a three month rotating schedule for both the Baby and Toddler nurseries at our Church. Which consists of multiple columns, dates, names, and information about expectations for the volunteers.
