

John Philip Michail

To Whom It May Concern,

Thank you for the opportunity to apply for a position within your company. I am currently enrolled as a full-time student at SNHU Communication Bachelor Degree Program, concentrating in Professional Writing and Minor Study in English Language & Literature. Throughout my studies, I have learned a great deal of academic and APA style formatted writing. I currently hold an Internship as Grant Writer at Power Changles Lives. My calling to the written word drives me every day, and I look forward to the next stroke of the keyboard to tell a story or inform and educate. Thank you for your time.

Sincerely,
John Philip Michail
