Nomination to
The National Society of Leadership and
Success**

Dear Nominee,

We want to commend you for having met the eligibility criteria for membership in The National Society of Leadership and Success (NSLS). Nominations are awarded to only a small percentage of online Southern New Hampshire University students, so congratulations on earning your invitation to become a member.

Should you choose to accept this prestigious honor, you will become part of a driven, like-minded community that is focused on achieving success. As part of your leadership development, you will be eligible to apply for thousands of dollars in scholarships and gain access to an online job bank. In addition, members experience a required five-step online leadership program (Foundations of Leadership) that helps to develop the skills that will drive your success beyond the classroom and into the next phase of your life, plus receive networking opportunities with students across the globe.

You can learn more about our chapter at SNHU by checking out this short video that highlights some of our most inspiring stories.
