

THE UNIVERSITY *of* NORTH CAROLINA  
**GREENSBORO**

Women's Basketball

It brings me great pleasure to recommend Michael Bobino for the position . He would be outstanding in this position because of his character, leadership ability, communication style and commitment of excellence towards the development of student athletes.

I had the opportunity to meet Mike while I served as assistant basketball coach at Stanford University in Palo Alto, CA. Mike reached out to me to deliver his vision. He followed up and brought a group of high school girls from Kennedy High School to visit Stanford's campus and watch a game. With that visit he was able to help elevate their lives.

Mike is outstanding at developing, and maintaining relationships with women basketball coaches across the country to include myself. Today I serve as the head coach for women's basketball at University of North Carolina at Greensboro, and I continue to communicate with Mike about potential young girls who want to play college basketball. He often speaks of his connection with many of the coaches in Texas where he resides.

Mike would be a tremendous advocate for the young girls, because he has a genuine interest in "girls basketball" as well as other sports. He understands how to impact the lives of our future generation. Do not hesitate to contact me at 757.771.1707 should you have additional questions.
