

MICHAEL BOBINO

510-776-7845 • Farmers Branch, Texas 75244 • michaelbobino@yahoo.com

Human Resource.

I am interested in working with Administration Academic Advising for students and student Athletes with professional development. My mission is to build character, self esteem and accountability in all students and student athletes working within services guidelines.

I have a bachelor of science in sociology, that works with community and development and completed my Master's Degree in Science of Sports Management at Southern New Hampshire University. My strength has always been with team building techniques and feel capable of creating an atmosphere where team members are fully active and engaged with their academics and social balance .

My passion for helping students succeed and passionate about engaging in their future with building their character and position with leadership and vision. I look forward to fitting in the structure helping lifes and vision continued success.

I may be contacted at 510-776-7845 or by email michaelbobino@yahoo.com. I look forward to the opportunity of meeting you soon. Thanks for this opportunity and to be considered for the position.

Yours sincerely,
Michael Joseph Bobino
