

# Hailey Schramm

## Professional Summary

Highly motivated and positive individual with great organizational and communication skills. Efficient problem solver with the ability to work on teams as well as independently. My goal: *"Be the change I want to see in the world"*.

## Accomplishments

- Director, coordinator, and volunteer for the Little Catz swim program.
- Ability to balance school, working in the Tutt Library on campus, swimming, and lifting 50+ hours a week.
- Certified as an Unlicensed Psychotherapist in Colorado: NLC.0111068
- Attending online graduate school at the University of Alabama, earning a Master's in Educational Psychology.
- Licensed substitute teacher for K-12 in Colorado's Academy District 20: #371434

## Work History and References

### Academy District 20

#### Guest Teacher

Colorado Springs, CO

03/2021 - present

- Became a guest teacher to further the education of students grades pre-k – 12<sup>th</sup> while their primary educators are out of the classroom temporarily.
- Worked on facilitating conversations about mental health, diversity, equity, and inclusion in education.
- Started a petition to get confederate flags removed from public school classrooms and was interviewed by many news outlets in the process; no action has been initiated but my work is far from over.

### Savio House

#### Family Coach/Child Protection Therapist

Colorado Springs, CO

06/2020 – 09/2020

- Became an unlicensed psychotherapist in order to provide support to families in the Colorado Department of Human Services (CDHS) system. Worked in both the Home-Based Interventions and in the Family Treatment Drug Court programs.
- Provided a space to talk to parents about their coping skills, stress management, and other daily activities that could help families increase positive interactions within their own lives.
- Ultimate goal of Savio House is to keep families together and positively engage with each other to bring positive change into their lives.

### Young Minds Center for Autism Spectrum Disorder (ASD)

#### Paid Internship – Summer Program for Children with ASD

Phoenix, AZ

06/2019 - 08/2019

- Promoted from unpaid to paid internship in first week
- Promoted to work with Program Director to develop curriculum and daily programming for children ages 3 - 8
