QUALIFICATION SUMMARY

Highly driven and dependable BSN student (anticipated graduation date of May 2023) seeking to further my education as well as seeking opportunities to utilize skills learned over the course of three years and 1,082 hours of hands-on patient centered care experiences. As an ambitious, deeply committed, and confident individual, I thrive to deliver high-quality, compassionate care in a fast-paced environment all while maintaining my values of honesty, integrity, altruism, and loyalty.
