

May 25, 2022

Dear

It is my pleasure to inform you that your outstanding achievement during the spring 2022 term has placed you on the Dean's List. Students qualifying for this distinction must have satisfied all of their developmental courses, complete all credit hours attempted, and complete six credit hours with a 3.5 to 3.9. You have met this high standard of academic performance and should be very proud.

Being placed on the Dean's List indicates that you strive to be the best, are dedicated to attaining your academic goals, and are willing to do what it takes to achieve them. This recognition will be noted on your academic transcript.

With your academic achievement, you may be eligible for the academic honor society Phi Theta Kappa. We encourage you to contact Mr. Johnny Petit, Advisor for the TCC's Chapter, at (850) 201-8143 or [johnny.petit@tcc.fl.edu](mailto:johnny.petit@tcc.fl.edu).

Additionally, you may be eligible for the TCC Honors Program and we encourage you to reach out to Director Nicholas Vick, Honors Program Coordinator, at (850) 201-8036 or [honors@tcc.fl.edu](mailto:honors@tcc.fl.edu) for more information.

On behalf of the faculty and staff at Tallahassee Community College I congratulate you and thank you for making TCC your College of Choice.

Sincerely,

Dr. Calandra Stringer  
Vice President and Provost
