## WORK EXPERIENCE & CAMPUS INVOLVEMENT

---

### PLANTE MORAN

*Audit Intern*

*Cincinnati, OH*

*June 2023 – August 2023*

- Assisted on approximately 15 benefit plan audits with all levels of staff to serve clients
- Traveled to various client sites and had several interactions to fulfill client's needs
- Continued to acquire knowledge/experience regarding the auditing process and professionalism

### DOZ (DAUBY, O'CONNOR & ZALESKI, LLC)

*Audit Intern*

*Carmel, IN*

*December 2022 – January 2023*

- Completed 20 audits that included financial analysis and the completion of Current Year Financial Statements
- Utilized the company's accounting software to complete various analysis for trial balance accounts
- Collaborated on a team of 20 members to complete audits and prepare reports for year-end properties for the client

### CHICK-FIL-A

*Team Leader*

*Mason, OH*

*December 2019 - Present*

- Communicated with members and guests to produce food to serve to guests
- Educated guests on values of the company to produce a better work environment for those involved
- Decreased wait time for guests in line due to speed taking orders, preparing food, or serving to guests
- Acted as a go-to person for questions from team members regarding every position in the workplace

### ACCOUNTING ASSOCIATION OF MIAMI UNIVERSITY

*Vice President of Professional Relations*

*Oxford, OH*

*May 2022 - Present*

- Organized meetings with the president and treasurer to make meetings with the whole club smooth
- Networked with over 20 firms/professionals in the field to give a presentation on their view of accounting
- Recruited over 150 members in a matter of two days with the help of executive board of the club

## PROJECTS

---

### KEYBANK CLIENT CHALLENGE

*First Year Integrated Core*

*Oxford, OH*

*August 2021 - December 2021*

- Collaborated in a group of 5 members to solve a problem given by KeyBank
- Presented findings for 10 minutes based on the problem given at hand based on real client data
- Managed 4 other members to keep the group on task to execute a good presentation of findings
- Executed tasks given by professors to allow the idea to be the best voted in the class
