WORK EXPERIENCE

- **The Brothers that Just do Gutters, Administrative Assistant/Marketing Coordinator (May 2021 – August 2021):** Managed the company's Instagram and Facebook pages, reviewed all finished jobs, checked clients' payments, and invoiced clients for any balances due. Posted successful work and gutter installations on social media to promote the company's services around the city.
- **Tutoring (Dec 2019 – Oct 2020):** Helped a seventh-grade student improve his grades in subjects such as Math, English, and Science (some from Cs to As) through weekly tutoring. Prepared him for upcoming quizzes and tests, and assisted him in understanding classwork. Learned how to experiment with different approaches and teaching styles to best explain concepts.

SERVICE EXPERIENCE

- **Community Hospice PedsCare Teen Board, Co-President (2016 - 2021):** Progressed from Developmental Co-Chair to Vice President to President. Worked with peers to raise money and spread awareness for the Community Hospice PedsCare program through planning, fundraising, and education. Organized two annual events for PedsCare patients and their families. Lead all meetings for the Teen Advisory Board. Coordinate zoom meetings during the 2020-2021 school year with the supervisor and other board leaders.
- **Kindness for Kids Club, Founder and President (2017 - 2021):** Created and founded school club with purpose of giving students opportunity to help children in our community. Lead and organize all projects and meetings. Organized a bake sale to raise money to for The Kelsi Young Respite Fund, which my family created to help families with children in Hospice PedsCare. Planned a supply drive for relief to families in the Bahamas and collected around 15 boxes full of donations. Led a toy drive for Wolfson's Children's Hospital, and organized meetings to create holiday cards for patients at Baptist South Hospital in 2019. Started a project to make cards for nursing home patients who have been isolated due to COVID-19 (created 122 personalized cards in total). Coordinated a toy drive for the Hubbard House, which collected around 250 toys for victims of domestic abuse.
- **Honor Societies (2019 - 2021):** Tutored students (varying ages), assisted with service projects and volunteer drives, and volunteered in school library. Helped to gather over \$4,500 worth of clothes and food for donation to local homeless shelter. Participated in International Night (an event that celebrates many different cultures through food and performances) and raised approximately \$500 to support a needy child from the Dominican Republic. Created an art piece for a local children's hospital (Nemour's).
- **Spectrum Thrift Store (2017 - 2021):** Volunteered at Thrift Store, a not-for-profit organization that donates money to Autism programs in my city. Dedicated time to helping them organize and distribute donations around the store, rearrange clothing racks/bookshelves, and sort clothing. Recruited friends to volunteer. Have been a committed volunteer for several years.
- **Clothing/Supply Drives for DESC:** Organized two donation drives for Downtown Ecumenical Services Council (DESC), an organization that supports individuals in difficult financial situations. In the first donation drive, I collected a total of 2065 items of clothing, which helped 344 individuals and 86 families with an estimated value of \$20,650. In the second donation drive, I collected around 2050 items with a similar estimated impact. It lasted between October and December of 2020.
