Professional Summary

Experienced business leader with demonstrated strategic planning, problem-solving and team-building abilities. Successful at bringing in and training staff to handle customer and business needs. Motivational, diplomatic, and respectful of people from different backgrounds.

Experience

05/2020-Present

Consultant/Owner • Magic Touch Consulting LP • Las Vegas, NV

- Provided comprehensive analysis and recommend solutions to address complex business problems and issues using data from internal and external sources and applied advanced analytical methods to assess factors impacting growth and profitability across product and service offerings.
- Led team for software engineering services and supported key clients in development efforts, establishing standards, determining specifications, and creating Service and Operational Level Agreements (SLA) and (OLA).
- Collaborated with internal stakeholders, identifying, and gathering analytical requirements for customer, product, and project's needs.

03/2018-Present

Owner • Magic Touch General Construction • Manteca, CA

- Consulted with customers to assess needs and propose optimal solutions.
- Established, optimized, and enforced business policies to maintain consistency and high-quality standards across industry operations.
- Set, enforced, and optimized internal policies to maintain responsiveness to demands.

01/2014-Present

Owner/Consultant • Magic Touch Consulting LLC • Fresno, CA

- Coordinated statistical data analysis, design, and information flow.
- Transformed project data requirements into project data models.

- Researched and resolved issues regarding integrity of data flow into databases.
- Developed tables, views and materialized views using SQL.
