EXPERIENCE

South Carolina HOSA – Future Health Professionals , South Carolina	President	March 2021-Present
---	------------------	--------------------

- Work closely with and facilitated the leadership and professional development of South Carolina HOSA's State Officer Team 44.
- Preside over South Carolina HOSA's Fall and State Leadership Conferences and serve as representative of South Carolina HOSA at HOSA's Washington leadership Academy and International Leadership Conference.
- Play an integral role in increasing membership and initiating projects to further local chapter development and connection with state office representatives through social media and engaging events.
- Developed resources to inform local members of state and international internship, career, and scholarship opportunities through HOSA and our industry partnerships.

South Carolina HOSA – Future Health Professionals , South Carolina	Vice-President	March 2020-March 2021
---	-----------------------	-----------------------

- Worked closely with the president and fellow state officers to develop and facilitate the South Carolina HOSA program of work, facilitate the Fall and State Leadership Conferences, and serve as ambassadors for South Carolina at the Washington leadership Academy and International Leadership Conference.
- Presided in the absence of the president and developed leadership and professional skills essential for further development within HOSA as well as the healthcare industry.
- Worked closely in partnership with South Carolina DECA, FFA, FCCLA, and FBLA to advocate for Career and Technical Education and Student Organizations to South Carolina State Senator Mike Fanning.

SKILLS

Certifications: CPR, First Aid
