## SCHOOL ACTIVITIES/ORGANIZATIONS

---

### **FFA (Agricultural and Veterinary Science Program)**

(Grades: 9,10,11,12)

Leadership roles: Vice President (11-12), Historian (10)

Meet weekly to plan for upcoming events and participation in the following:

- Planned and executed multiple fundraising activities throughout the year
- Competed at state, regional and national competitions
- Attended multiple fall and winter leadership Granite State FFA conferences

### **CTE (Career and Technical Education) Ambassador**

(Grades: 11,12)

Chosen by faculty to promote veterinary science program based on subject knowledge, experience and leadership skills. Examples of some of the events listed below:

- Career day at the middle school, where I speak and answer questions to younger students
- Open house for the CTE programs where students and families come to visit and find out more about veterinary science
- Freshman Career Day when freshman can learn about veterinary science careers

### **LEO (Leadership, Experience, Opportunity) Club – Sponsored by Hudson Lion's Club**

(Grades: 9,10,11,12)

Service youth organization that supports both the school and community through volunteer activities. Charter member since 2017 when club was first established. Some examples include:

- School Open houses, freshman orientation, parent/teacher conferences
- Salvation Army Christmas in July bell ringer
- Lions Club dinner server
- Food pantry volunteer for holiday distributions
- United Way of Greater Nashua Shoebox Project - Building memory-care kits for seniors
- Roadside cleanup
- Grow fresh produce for food pantry

### **National Honor Society (NHS)**

(Grades:11,12)

Selected for the NHS based high standards for scholarship, leadership, service and character

Meetings held once a month. Some examples of volunteer activities include:

- Feed our kids through food pantry, filling bags for school students
- Creating Valentine cards for senior citizens
- Making Easter baskets for homeless veterans

### **National Technical Honor Society (NTHS)**

(Grades: 11,12)

Inducted into the NTHS based on both career and CTE program GPA allowing a pathway to continue enhancing leadership skills and community service while representing the importance of career development programs.

Some examples of volunteer activities include:

- Collected items for natural disaster aid (Australian forest fires)
- Funding raising and collecting items for COVID relief

## WORK/COMMUNITY

---

### **Pet Supplies Plus, Nashua, NH**

Sep 2019 – March 2020

Customer Service, Team Member (Average 18 hours per week)

In addition to school activities, it was important that I could find a part-time job that would allow me to utilize both my subject knowledge and leadership skills within the community. As a team member at Pets Supplies Plus my job responsibilities include:

- Act as an informational resource for customers
- Provide assistance to finding the perfect pet including fish, birds, lizards and hamsters
- Help pet owners choose products that best fit their needs from proper nutrition, habitat, grooming supplies, and other products

### **Saint John XXIII Food Pantry, Hudson, NH**

Jun 2016 - Present

Community Service Volunteer:

- Regular volunteer during summers and school vacations
- Help stock supply shelves
- Distribute food to those in need
