SKILLS AND RELEVANT COURSEWORK

- Proficiency with Adobe Photoshop.
- Proficiency with Adobe Illustrator.
- Proficiency with Canva.

- **3D Design and Animation 1**: Learned the basics of the 3DS Max 2021 computer program to create 3D models of everyday and creative objects. I've learned how spacial awareness works, and how to make objects relate to each other non-verbally.

- **3D Design and Animation 2**: Learned the intermediate skills of the 3DS Max 2021 computer program. Using what skills were learned before to create more complex objects, plus making them move on screen.

- **Computer Art 1**: Learning the basics of Adobe Photoshop and Illustrator and how to use them to create basic illustrations and images. A good baseline to gain skills that will be necessary to have for a future career in Graphic Design.

- **GRD-225 Intro to Graphic Design:** Learning how to use Adobe Photoshop and Illustrator from baseline knowledge. Moving at our own pace to create complex images to showcase each class for feedback.
