## PROFESSIONAL SUMMARY

Sociology student with excellent media literacy, technology, and analytical skills seeking to gain valuable experience in the field of Archivism. Currently, I aim to extend my personal knowledge on the history of Atlanta's public and social policies. As a creative thinker with a strong work ethic and love for learning, I can be relied on to conduct extensive research on any topic that I am required to do.

## SKILLS

- Critical Thinking
- Computer Skills
- Time Management
- Interpersonal Skills
