Dear Michelle-Lee Morrison,

On behalf of the faculty, administration, and the Board of Trustees of Broward College, I want to congratulate you for your academic achievement during the Fall 2020 semester. Due to your hard work and dedication, you have been named to the Dean's List, which recognizes students who carry 12 or more college credit semester hours and obtained a grade point average of 3.50 to 3.99.

Broward College prides itself on a 62-year tradition of offering a challenging, affordable, and diverse higher education experience; however, we are most proud of students like you who are pursuing their academic goals. You are an important part of our college community, and we are excited to recognize you for your achievement.

Thank you for choosing Broward College, and we look forward to your continued academic success.

Sincerely,
