career objective

Current student looking to join the workforce to gain real-world experience. Ability to complete tasks on time in both individual and team settings. Dependable and reliable, ready to learn and grow with your company. Responsible student with good judgment, time management and a flexible schedule. Aiming to leverage my abilities to successfully fill the vacancy at your company. Frequently praised as hardworking by my peers, I can be relied upon to help your company achieve its goals. Excellent skills in computers. Catches onto new concepts quickly and spends time outside of work to gain better understandings. Looking to acquire and expanded range of skills in the realm of computer science.
