---

## Skills

---

Leadership

Highly motivated

Great communication

Effective time management

---

## Life Experiences

---

### Choir

August 2018 - May 2022, West Aurora High School

I have been a member of choir all throughout high school, being a member of the top two choirs at West Aurora for my junior and senior years. This involved practice twice a day within school as well as multiple after school rehearsals as well as many performances at our school as well as around the community. I received the Sten Halfverson award which recognizes my dedication and leadership throughout the years.

### Drama

August 2018 - May 2022, West Aurora High School

I have acted in five productions, been a make-up manager for one production, been props master for one production and student director for two productions for West High's Drama Club.

### Marching Band

August 2018 - May 2022, West Aurora High School

A member of the clarinet section for the school marching band. This involved multiple pre-season camps with practices throughout the school year and performances in parades as well as Friday night football games.

### AFJROTC

August 2018 - May 2022, West Aurora High School

AFJROTC has taught me a lot about leadership as well as discipline. Part of the curriculum is leadership education which teaches countless organizational skills as well as effective communication skills. I have also been a member of my unit's Public Affairs Team for 3 years, one of those years commanding the team. The Public Affairs Team handles writing quarterly newsletters over-viewing what has happened within the corps (big events, community service events etc.) which taught me a lot about leadership, time management and working in a team. I was awarded a superior performance award for my tenure as commander.

---

## Education

---

### West Aurora High School / High School Diploma

August 2018 - May 2022, Aurora

Graduated in the top 30% of my class with an unweighted GPA of 3.4 and a weighted GPA of 3.5
