Dear Maya,

Congratulations! I am happy to inform you that you have been selected to receive a Dr. Andy Langner Endowed Fund award.

The Dr. Andy Langner Endowed Fund was established in 2011 in memory of chemistry professor Andy Langner to acknowledge student nominees that demonstrate resiliency and tenacity during difficult or challenging circumstances.

The Dr. Andy Langner Endowment allows for funding up to \$1,000.00 to support a stipend if you are engaged in research, supplies and equipment for your student research, or student travel to conferences. Any requests for expenses in 2023-2024 will need to be pre-approved by your academic unit head, Dr. Kate Wright (copied in this email). If you are currently employed on campus any fund requests can be directly deposited into your established account on file. If you are not currently employed on campus you will need to complete a W-9 form (attached to this email).

Once again, congratulations.

Regards,

André Hudson, Ph.D.
Interim Dean, College of Science
Professor of Biochemistry
