Work Experience

Student Life Counselor

Timber Ridge School-Cross Junction, VA

September 2023 to Present

The Student Life Counselor position at Timber Ridge School for Adolescent Boys involves offering individualized treatment and support to students with behavioral and emotional challenges, fostering a nurturing environment, and providing counseling and mentorship. This role collaborates with a multidisciplinary team, leads group therapy sessions, and maintains confidential records.

Qualifications include a degree in a related field, relevant experience, strong interpersonal skills, and a commitment to helping adolescents reach their potential. Timber Ridge School is dedicated to empowering young individuals to overcome challenges and build a brighter future.

Owner

A & J Detailing-Beverly, WV

January 2023 to September 2023

Full service detailing company.

Youth Treatment Assistant

Elkins Mountain School-Elkins, WV

January 2023 to July 2023

Supervise clients on a daily basis and help teach basic life skills, assist during crisis situations with different types of interventions, and provide supportive counseling for adolescent boys in placement at a behavioral treatment center. Additionally, I help clients practice coping skills they learn through therapy.

Winback Specialist

Penn Foster Schools-Scranton, PA

June 2020 to November 2022

Answer phone calls, and questions from prospects looking to enroll in the High School Program. Help facilitate enrollments both online and via phone. Experience with enrolling students into college programs or career diplomas and certificate programs as well.

CFO and Director of Sales

Street Smart Printing-Hackettstown, NJ
October 2018 to March 2020

The Hackettstown-based Printing company, I am a founding member as well as Chief Financial Officer, Director of Sales, and webmaster. I was in charge of finding and maintaining clients and their happiness with our products. I trained my staff on how to print using a heat transfer machine, using vinyl as well as ink on clothing and other products as well.

Assistant Store Manager

Domino's-Ledgewood, NJ
August 2019 to December 2019

I ordered and managed inventory for the store. I forecasted sales based on previous numbers. I was also in charge of hiring, and firing associates and training the new associates. In addition, I would open and close our store and handle the cash at the end of the day.

Machine Operator

New York Folding Box Co-Stanhope, NJ
January 2019 to September 2019

Operate heavy machinery in the creation of boxes. Maintained the equipment, ensured that jobs were completed and shipped out on time. Part of a team that rebuilt a multi-million dollar BHS machine after it was inactive for 7 months. Using this machine we made a record number of boxes multiple times in record times.

Store Manager

Spirit Halloween Super Store-Hackettstown, NJ
September 2017 to October 2018

Help find and secure a location for the store. Manage sales forecast from previous years and build projections for stores based on those numbers. Built team of 30 people from scratch and trained them all personally, including cashiers and assistant managers. Manage and order inventory. Physically build multiple store locations.

Referral Coordinator

First Harbour Medical Center-Bradenton, FL
January 2016 to October 2016

Referral and Authorizations Coordinator, Receptionist, in charge of processing paperwork for over 5,000 patients who needed referrals. Answered phone calls, scheduled patients, was a part of a successful EMR transfer from practicefusion to eClinical.

11B Infantry

US Army Active Duty/ Army Reserve
October 2011 to April 2013
