Is eager to apply the same work ethic to said job/company while willing to learn to best fit the organization's needs. Reliable with strong leadership skills. SKILLS Customer service Strategic thinking Problem solving Mediation Microsoft Office applications Time management Ability to work under pressure Solution Amplification Listening WORK HISTORY University of the Cumberlands computer lab Assistent—Williamsburg, KY 08/2025 to Current -Assisted with base-level IT issues with the computers, as well as properly assisted with the printers for any reason. In addition, also served as a professor's helper, gaining more leadership experience while widening my knowledge in the field of information technology at the lower levels to better equip me with useful skills for my future employment endeavors. 10/2020 to Current Asset Protection Associate / Sales Associate Walmart – Lexington, KY -Being a part of Walmart's security team, I have experience with protecting the store from potential theft and maintaining ethics in the workplace. -Supported hundreds of customers daily, trying to find their wants/needs. -Also supplied skills to various areas in the supercenter for efficiently finishing tasks.

Effective in the completion of the store inventory process, as a sales associate, I'm trained in numerous departments, proving my dedication to help in any way possible. -Have been a part of the advertising& social media pages to attract more customers,

leading to more revenue.

- -I engaged with customers daily, assisting with face-to-face transactions as well as helping them with any inconveniences.
- -Also have helped in stocking & zoning (fixing up aisles) with maximum efficiency to present the organization in the best way possible.

07/2019 to Current

Environmental Services

W. L. Davis Enterprises – Lexington, KY

- -Active in the community while keeping Lexington green and clean through numerous outdoor services for customers and the city's contractors.
- -Served through several environmental jobs, I've cleaned dozens of creeks around the city as well as cleared built-up blockage, picked up litter on interstates as well as neighborhoods, aiming to keep Lexington clean.
- -I've also dealt with overgrown lots for the city, and I have also partaken in lawn maintenance as well as landscaping. I also helped cut down unwanted/overgrown trees as well as limbs.
- -Have also dealt with litter in and around abandoned houses through code enforcement for the city of Lexington.
