## ➤ EXPERIENCE

### **Jersey Mike's Subs, Franklin, TN**

July 2020- September 2020

I started my first official job at Jersey Mike's to gain knowledge and experience in the workforce. My tasks were to greet customers, work the register, make sandwiches, clean, restock items, and cook on the grill. I grew accustomed to being on my feet for 4-8 hour shifts and worked well with my coworkers.

### **Starbucks, Franklin, TN**

February 2022- Present

My tasks at Starbucks, depending where I am stationed, are to prepare drinks or food in an efficient manner through standard sequencing to ensure that customers receive their items as quickly and consistently as possible. I practice customer connections daily, which consists of making meaningful conversation with customers to make them feel comfortable and invited. I excel in a very fast paced environment like where I can find something to do or somewhere to help at all times. Experience with registers as well.

### **Ravenwood High School, Franklin, TN**

I graduated with a 4.0 while enrolled in AP and honors classes in high school. My leadership experience includes starting a Hispanic Heritage club to empower and educate hispanics or anyone interested in learning about its rich culture. I also took part in organizing social justice and civil rights peaceful protests amid the summer of 2020. I am currently a sophomore at Belmont University.

## HOBBIES

I typically spend my free time doing yoga, journaling, reading, and crocheting. I am a fashion design student at Belmont, so I love reading fashion magazines and making mood boards. I also love to spend hours in coffee shops and take my dog to the dog park during sunset!
