Dear Illinois Central College Office of Admissions:

I am responding to your notification regarding the Student Ambassador job opening in the office of Admissions...

Illinois Central College is deemed one of the best community college both throughout the city and the state of Illinois offering various programs...

I am currently enrolled at Illinois Central College studying political science and law with a desired minor in business...

With my experience with the Marine Corp Junior ROTC and my dedication with shadowing political figures within campaigns, leadership and management have been my prime development in learning...

I look forward to the opportunity to interview with you in the next couple of weeks.

Should you have any other questions about me and my qualifications, please let me know.
