### Field Health Swabber

The Testing Company LLC

### Los Angeles, CA

November 2020 - July 2021

- Administered COVID-19 tests to cast and crew members on various film and TV production sets, ensuring adherence to health protocols and safety guidelines.
- Trained in the use of PPE and maintained strict hygiene standards to prevent the spread of COVID-19, demonstrating a high level of responsibility and adherence to safety regulations.
- Managed sensitive health information with confidentiality and discretion, complying with HIPAA regulations.

## LEADERSHIP EXPERIENCE

### President

Stanbridge University Nursing Student Association

### Alhambra, CA

December 2023 - Present

- Led an executive board of 7 and overseeing more than 30 general members in various initiatives aimed at enhancing student experience and community service.
- Pioneered innovative fundraising strategies by partnering with major businesses including Krispy Kreme, Panera Bread, and Hamburger Mary's, successfully raising funds to support association activities and nursing scholarships.
- Coordinated and led regular meetings, workshops, and networking events that enhanced the professional development and educational growth of association members.

### Field Operations Supervisor

The Testing Company LLC.

### Los Angeles, CA

December 2021 - June 2023

- Directed the expansion of COVID-19 testing operations to new sites in New York, Newhall, and Westwood, overseeing site setup, staffing, and process implementation to ensure seamless operational continuity.
- Managed relationships with high-profile clients including Netflix, Disney, Hulu, and FX, ensuring that testing protocols met the specific needs of each production while maintaining industry-leading safety standards.
- Supervised a diverse team of over 110 health professionals and administrative staff, fostering a collaborative environment and enhancing team performance through targeted training and development initiatives.

### Field Team Leader

The Testing Company LLC.

### Los Angeles, CA

July 2021 - December 2022

- Served as the primary liaison between production management and the health services team, ensuring clear communication and prompt resolution of health-related concerns.
- Monitored compliance with health regulations across multiple production sites, identifying and addressing non-compliance issues proactively.

## CERTIFICATIONS

BLS/First Aid/AED Certification (AHA)

Management of Assault Behavior (MAB) Certification

## VOLUNTEER EXPERIENCE

### Hospital Volunteer

Huntington Hospital

### Pasadena, CA

February 2017 - August 2017

- Assisted nursing staff with non-medical tasks including patient transport, meal distribution, and room preparation, facilitating efficient workflow and improved patient care.
