

Destiny Miller

Spartanburg SC 864-479-3677 Destinymjmiller1639@icloud.com

Objective

To obtain a rewarding position as a social worker or guidance counselor in a supportive and community-focused organization where I can utilize my interpersonal and problem-solving skills to make a positive impact on individuals and families.

Experience

Lead Teacher

Childs play Learning Academy. Boiling Springs SC. (October 7, 2024-present)

- Collaborated with parents and caregivers to create a supportive learning environment and address any concerns regarding child development.
- Monitored and assessed individual development, providing tailored support to meet each child's unique needs and milestones.
- Organized activities that enhance motor skills, language development, and creativity, ensuring a well-rounded educational experience.
- Fostered a positive and inclusive classroom atmosphere, encouraging children to express themselves and build relationships with peers.
- Developed and implemented age-appropriate curriculum that promotes cognitive, social, and emotional growth in three-year-olds.

Education

Southern New Hampshire University. BA Psychology.

Major: psychology Concentration: Child and Adolescent Development
