

Resume of Current Scholastic Accomplishments, Activities, and Interests

Current elected office

- Junior Student Council Secretary, grade 11. I record student council attendance, minutes, and agendas for the governing body.

Major school activities

- Captain Junior Reserve Officers' Training Corps (JROTC), 9-11, currently serving as Battalion Security Officer (S2), grade 11. I am responsible for security and accountability of inventory and weapons. My activities include Malvern Drill Meet, PLT Competition, Lions Club Flag detail, playing Taps for Wreaths Across America at the Poyen Veterans Memorial; placing wreaths at Lindsey Poyen Cemetery; serving meals and preparing boxes of food at the Cup of Water food pantry; placing United States flags around downtown Malvern on Memorial Day; marching in the Veterans Day parade in Hot Springs, Arkansas; and decorating facilities for the Junior Reserve Officer Training Corps annual ball and banquet.
- Malvern Leopard Marching Band, 9-11, currently serving as Trumpet Section Leader.
- Education Accelerated by Service and Technology (EAST) participant, grade 9, served on Yearbook Staff.
- National Honorary Beta Club member, 9-11. Beta promotes leadership by serving others. I prepared gift boxes for Operation Christmas Child at First Baptist Church and loaded them onto a semi-truck and cleared storm debris on the grounds of LifePoint Church.
- National Honor Society member, grade 11.

Awards and leadership training

- The Military Order of the World Wars (MOWW) Youth Leadership Seminar, June 2022. The Military Order of the World Wars provides patriotic education on leadership, principles of democracy, and civic responsibilities associated with preserving American rights.
- Sons of the American Revolution Bronze Medal, April 2023; Motivation Award, Fifth Brigade Department of Army Cadet Command, for exemplifying the most meritorious contributions to my unit during the Leopard Battalion competition, May 2022
- Army Junior Reserve Officers' Training Corps Cadet of the Week, week 11, October 2020, weeks 23 and 24, January 2022
- Adobe Certified Associate for Visual Design using Adobe Photoshop, successfully completed training January 2021, certified through January 2024.
- 2021 ACT Aspire Certificate of Achievement for readiness in English and in science.
- Driver's Education Course completed at Malvern High School, June 2022.

Summary of Community Service

- The Ouachita River Art Guild (ORAG) is a 501c (3) nonprofit organization dedicated to enriching community life through the arts. The organization bought a building in the historic district of downtown Malvern. I volunteered to help demolish rotten sheetrock and take the interior back to the studs so the building could become a place for community events. I was physically bringing change to improve my hometown and it felt great. I have been fortunate enough to feel that way marching in the MLK parade; gathering and delivering pet food for our local animal shelter; and dressing as Spiderman to entertain kids at downtown Halloween events.
