## EPOCH EDGE by SCAD

RESEARCH AND INNOVATION CENTER | FALL 2024 | ATLANTA, GA

EPOCH EDGE BY SCAD is a cutting-edge research and innovation hub that embodies the future of sustainable design and education. Rooted in Le Corbusier's Five Points of Architecture, this project reimagines these principles—pilotis, open floor plans, free façades, ribbon windows, and roof gardens—through the lens of contemporary environmental challenges and advanced building technologies.

## WHITE OAKS

HIGH SCHOOL | SPRING 2022 | LAGOS, NG

Elevating Education, Empowering the Future  
Nestled in the heart of Onike, Yaba, White Oaks Secondary School stands as a beacon of innovation and accessibility in education. Designed to cater to the needs of a slightly less privileged community, this institution is more than just a school—it is a carefully curated learning environment that fosters growth, creativity, and inclusivity.

## ASCENSION

PRESIDENTIAL LIBRARY | FALL 2023 | BATON ROUGE, FL

Ascension is a presidential library that seeks to embody the nuanced interplay of governance, societal dynamics, and translate it into spatial design.
