Reference Letter

22nd of May 2023

To whom it may concern,

It is my pleasure to recommend Phailin Pongkaew, since her performance at our firm proved that she will be a valuable addition to any company.

Phailin had been working in our company since the 01/07/2017 on the position of a Customer Service Agent and then on the 31/12/2018 her position changed to Retention Officer. On 01/07/2019, Phailin's position changed to Workload Analyst until 22/05/2023. During her time at our company, Phailin did an excellent job in all of the responsibilities that she was assigned to and was a great asset to our company. She is great to work with and extremely organized, and she has shown great confidence.

Phailin was always willing to offer her assistance and had an excellent rapport with our clients and her co-workers. She would be an asset to any employer and I recommend her for any endeavor she chooses to pursue, in which she can perform her dedication and professional skills.

Sincerely,
