SUMMARY

B.S. Civil Engineering Student at MSOE with numerous and diverse team-based engineering project experiences. Extensive work history since age of 15. Devoting 6 hrs. per week to co-curricular involvement. I was the president/founder of Bowling Club at Addison Trail High school, where we competed in Bowling tournaments. Skills in Auto CAD, Inventor, MS Office, Surveying, and Revit.

EDUCATION

B.S. Civil Engineering | Milwaukee School of Engineering | GPA: 3.5 | Second Year Student | Expected May 2027

H.S. Diploma | Addison Trail High School | Addison, IL | GPA: 4.3 | May 2023

PROJECT EXPERIENCE

Lamborghini Huracan Model Design Project

Objective: Design a model Lamborghini Huracan car using Inventor, and print design using Lego-like pieces.

- Measured, each Lego piece by hand for design model to identify size needed for each piece.
- Pieced each Lego together in Inventor in order to have correct Lego-like connecting mechanism.
- Adjusted the program for the Lamborghini Huracan,
- 3D printed every piece out and ensured each piece was proper color.
- Design a filament layer for 3d printer so bottom of design wouldn't get stuck.
- Printed test pieces and adjusted program accordingly to ensure functionality.
- Put all together.

TECHENICAL SKILLS

- | | | |
|-------------------|---------------------|---------------------|
| ▪ Surveying | ▪ Autodesk Inventor | ▪ Drafting |
| ▪ Data Analysis | ▪ Auto CAD | ▪ 3D Printing |
| ▪ MS Office/Excel | ▪ Revit | ▪ Design Principles |

LEADERSHIP | CO-CURRICULAR INVOLVEMENT | COMMUNITY SERVICE

Member | Lets Build a Steel Bridge | September 2023 - Current | 2-3 hours per week

Member | Baja Society of Automotive Engineers | August 2023 - Current | 2-3 hours per week

Founder/President | Bowling Club | September 2022 - May 2023 | 5 hours per week

Member | Math team | August 2022 - May 2023 | 2-3 hours per week

Member | Student Council | August 2022 - May 2023 | 4 hours per week

WORK HISTORY

Logistics Coordinator | CTL Global Solutions | July 2020 - January 2023 | 40 hours per week

Description: Help manage various clients by inputting Amazon routing. Communicating order information with warehouse, Updating Shipping Log with carrier pick up information. Releasing orders. Update Account Manager Weekly order log. Communicate material damages to clients. Various other reports on demand.

Property Manager | NDCV Properties | November 2020 - August 2023 | 20-25 hours per week

Description: Managed multiple apartment complexes, scheduled repairs and collected rent. Tracking the Profit loss statements. Performed various maintenance throughout the building (i.e., sink or toilet clogging, install window AC units, cleaning, updating units and lawn maintenance). Scheduled appointments with various contractors. (i.e., exterminator, painter, plumber).

Installer | Tents for Rent | May 2019-August 2022 | 16 hours per week
