

Natenael Belai

Medical Researcher

👤 Profile

Seeking high-quality leveled opportunities in medicine ranging from research to shadowing to intermediate internships!

Main strengths lie in biological and chemical sciences- currently expanding on **neurological physiology**- dedication and persistence to work/research, especially in face of obstacles and adversity.

📁 Employment History

Medical Intern at BrottmanMD, Lawrenceville

January 2020 — May 2020

Performed clinical assessments, interpreted patient data, and evaluated clinical status to initiate appropriate interventions. Included a medical course throughout multiple curriculums, imitating a third-year medical student equivalent schedule. Labs and procedures with human anatomy were included. Performed basic clinical tasks such as taking vital signs, height, and weight measurements.

- Utilized medical technology and equipment to diagnose and treat medical conditions
- Assisted the healthcare provider in providing patient care by retrieving medical records, test results, medical supplies and other items

Marketing Specialist at Vector Marketing, Lilburn

June 2021 — July 2022

- Analyzed marketing data to identify trends and develop insights that informed future marketing decisions
- Collaborated with marketing and sales teams to improve content marketing and cross-promotional initiatives
- Used advanced Excel modeling to identify and analyze potential opportunities for cost savings and revenue growth

🎓 Education

B.S. Neuroscience , Georgia State University, Atlanta

August 2022 — Present

Studying for Bachelor degrees in Neuroscience and Biology with a Minor in Psychology and Pre-Med concentrations.

High School Diploma, GSMST, Lawrenceville

January 2018 — December 2022

Graduated all honors and 13 AP classes with a Cum Laude in sciences at a top 10 national high school.
