julianpapillon10@gmail.com

Dedicated and detail-oriented seeking an entry-level position in the financial industry. I am eager to leverage my academic background in Finance, combined with a strong work ethic and a passion for financial analysis. Aiming to contribute to a dynamic team and gain hands-on experience.

EXPERIENCE

Amazon, Jefferson, GA — Warehouse Associate

July 2023- October 2023

- Efficiently and accurately pick and pack orders for shipment, ensuring timely delivery to customers.
- Sorting, scanning, and stacking packages on pallets, helping to get customer orders ready for delivery.
- Conduct regular inventory counts and assist in the organization of warehouse storage to optimize space utilization.
- Utilize computer systems to track inventory levels and update records in real time.

AFA CyberPatriot, Grayson, GA — Team Member

August 2022- January 2023

- Engaged in Cyber Patriot competitions, showcasing expertise in fortifying and safeguarding computer systems.
- Collaborated closely with team members to scrutinize vulnerabilities and deploy impactful cybersecurity solutions.
- Regularly performed system scans, vulnerability assessments, and penetration testing to pinpoint and neutralize potential security risks.
- Detects and secures vulnerabilities in a computer system while keeping specified computer functions.

CDC, Roswell, GA — Customer Service Specialist

April 2021 - July 2022

- Reviewed applications for compliance with company requirements such as minimum educational requirements or work experience in certain fields.
- Conducted interviews with applicants to assess their qualifications and suitability for a position.
- Screened applicants for employment positions available within the organization or through outside recruiters.
