Experience Certificate

To Whom It May Concern

It gives me great pleasure to write a work experience letter for **Mr. MD Zakaria Salim**, son of MD Jahangir Hossain, who has been working at Tiller as a full-time "Associate Geographic Information Systems (GIS) Analyst" from 17th November 2019 to Till Date. His annual salary is 360000 Bangladeshi Taka.

During this period, he has been involved in and completed the following assignments.

1. He has successfully completed the project "Feasibility for Establishing IT & GIS-Based Solid Waste & Fecal Sludge Management System in 53 District Level Municipalities & 8 City Corporations," under the client organization Department of Public Health Engineering, funded by Bill & Melinda Gates Foundation
2. His responsibility was to coordinate with different survey teams, collect survey data, organize and analyze data in the Geographic Information System (GIS) platform operation.
3. He used digital mapping techniques, including interactive computer graphics and computer-assisted design and drafting (CAD) software, to generate maps, graphs, and charts.
4. Also, integrated external software such as spreadsheets and statistical packages with GIS software
5. Prepared Plan map, format, and design and compile required data from survey notes and reports

I found Mr. Md Zakaria Salim very energetic, sincere, and capable of handling GIS & Remote Sensing related works as well as qualitative & quantitative data independently. I wish him every success in his life.

Sincerely
