OBJECTIVE

Highly motivated and dedicated Cybersecurity Specialist transitioning from a successful career in diverse industries to the field of cybersecurity. Seeking an entry-level position to leverage my technical skills and hands-on experience in a dynamic and challenging environment.

PROFESSIONAL SUMMARY

Results-driven cybersecurity professional pursuing a Bachelor's degree in Cybersecurity and over ten years of diverse experience across various industries. Demonstrated expertise in information security, network security, incident response, and vulnerability analysis. Adept at problem-solving, data analysis, and process optimization. Strong communicator with excellent interpersonal skills and a proven ability to work effectively in cross-functional teams. In pursuit of CISSP certification. Committed to leveraging previous experience and newly acquired cybersecurity knowledge to protect and secure digital assets.

TECHNICAL SKILLS

Cybersecurity

Information Security | Network Security | Incident Response | Computer and Network Forensics | Vulnerability and Malware Analysis | Application Security | Cyber Threat Intelligence | Network traffic analysis | Raw packet data | Netflow | IDS | HIPS | SIEMs | Endpoints | Log files | TCP/IP | Networking ports | Protocols | System administration | OSI model | Anti-Virus | Packet capture | Host-based forensics | Network forensics | Malware analysis | MITRE ATT&CK | IAM Design | IAM Fundamentals | IAM Evaluation | Solution Design | Strategy Assessment |

Operating Systems

Windows | Unix/Linux | macOS | Android

Programming Scripting

Python | JavaScript | SQL

Tools Technologies

Network Protocol Analysis | Low-level Protocol and Packet Analysis | Burp Suite | Microsoft Office Suite | Cisco Packet tracer |

General Skills

Microsoft Office 365 Suite | Analytical Problem-solving | Innovative Leadership | Interpersonal Communication | Technical Writing | Critical Thinking | Adaptability | Collaboration | Attention to Detail | Customer Service | Business Process Alignment | Business Process Analysis | Project Planning |

CERTIFICATIONS & EXTRA CURRICULAR

Tata Cybersecurity Security Analyst Job Simulation

Forage | Nov 2024

Completed a job simulation involving identity and access management (IAM) for Tata Consultancy Services, collaborating with a Cybersecurity Consulting team.

Acquired expertise in IAM principles, cybersecurity best practices, and strategic alignment with business objectives.

Delivered comprehensive documentation and presentations, showcasing the ability to communicate complex technical concepts effectively.

ANZ

Forage | Nov 2024

Completed a simulation focused on identifying cybersecurity threats at ANZ

Investigated e-mails to report suspicious items

Analyzed a Packet Capture file using an open source tool to identify and investigate any potential threats

CompTIA Security+ (In progress)

CompTIA

PROFESSIONAL EXPERIENCE

General Warehouse Associate

The Home Depot | Sparrows Point, Maryland | Apr 2022 - Feb 2024

40 hours per week

Optimized inventory management processes, reducing stock discrepancies by 20%. Developed and implemented training programs, reducing training time by 25%. Utilized advanced data analysis techniques to identify trends and patterns in inventory data, enabling data-driven decision-making and optimizing stock levels, leading to a 15% reduction in excess inventory and associated costs. Demonstrated strong problem-solving skills by proactively identifying and resolving inventory discrepancies, maintaining a high level of customer satisfaction.

Sales and Leasing Consultant

Bob Bell Automotive | Baltimore, Maryland | Jul 2018 - Feb 2022

40 hours per week

Utilized exemplary product knowledge to assist customers in selecting the correct vehicle for their needs. Advised customers on vehicle options and addressed any questions or concerns. Mitigated objections by explaining the pros and cons of vehicle choice. Prepared paperwork and negotiated selling prices. Trained customers on how to use features of the vehicle.

Plant Technician

J.M. Smucker's | Havre De Grace, Maryland | Jul 2017 - Jul 2018

40 hours per week

Cleaned and sanitized the production area after each production run. Maintained equipment to ensure optimal performance and reduced downtime.

Amazon Fulfillment Associate

Amazon | Baltimore, Maryland | Mar 2016 - Jul 2017

40 hours per week

Provided quality assurance to products that were found defective or reported to be incorrect. Offloaded boxes and prepared them for outbound sales and storage.

Massage Therapist

Massage Envy Spa | Federal Hill, Maryland | Jan 2014 - Aug 2016

40 hours per week

Provided client massage and therapeutic services in compliance with HIPAA regulations. Performed deep muscle therapy, sugar foot scrubs, Swedish, deep tissue, myofascial release. Retained and referred clients based on individual needs while ensuring the confidentiality and security of patient information.

Massage Therapist

Elements Therapeutic Massage | Timonium, MD | Feb 2013 - Feb 2014

40 hours per week

Evaluated client concerns and addressed issues stated in compliance with HIPAA regulations. Utilized customer service techniques to facilitate a unique experience. Employed deep tissue, Swedish, myofascial release, hot stone, and hot and cold packs to bring about a rapid response in soft tissues while maintaining patient confidentiality.

Petty Officer Second Class

United States Navy | Jun 2002 - Feb 2010

40+ hours per week

Designed and implemented training programs for 30 personnel, emphasizing security operations. Supervised 50 personnel in daily operations and security operations, ensuring compliance with information security standards. Awarded 3 Navy-Marine Corps Achievement medals in recognition of outstanding services. Performed preventative maintenance on equipment to ensure mission success. Operated cranes, barges, and small craft in compliance with maritime law. Trained all junior sailors on weapons qualifications, boarding tactics, and physical security. | **Seamanship & Shipboard Operations:** Performed essential shipboard duties, including securing vessels to piers, moorings, and anchors. Operated and maintained deck equipment, small boats, and lifesaving equipment. | **Navigation & Piloting:** Utilized compasses and navigational aids to steer and navigate vessels. Applied nautical rules of the road and buoy systems to ensure safe operations. Conducted **land navigation** using maps, compasses, and GPS in both daylight and low-visibility conditions. | **Cargo & Rigging Operations:** Supervised and executed rigging for fueling at sea, cargo handling, and replenishment operations. Directed winch and crane operators using standard signaling protocols. | **Firefighting & Damage Control:** Conducted shipboard firefighting and damage control procedures, including the use of portable fire extinguishers, fixed CO₂ systems, and flooding control measures. | **Personnel Supervision & Training:** Led and trained teams of 6-40 personnel in ship maintenance, deck operations, and safety protocols. Served as Master-at-Arms, enforcing discipline and security measures. | **Combat Readiness & Weapons Training:** Trained in **Military Operations in Urban Terrain (MOUT)**, engaging in close-quarters battle scenarios, room clearing, and tactical movement in urban environments. | Attended **School of Infantry**, receiving instruction in Small unit tactics, patrolling, and basic infantry maneuvers. | **Weapons Qualified:** M16, M9, AT4, 12-gauge shotgun, Mk19, Mk43, M60, M2, M79, M14, M203, and M240B. | Conducted Fast Reactionary Boat operations, providing rapid response security and maritime interdiction. | Engaged in Visit, Board, Search, and Seizure (VBSS) missions, securing vessels, detaining personnel, and conducting shipboard security operations. | **Bahrain Security Force Training:** Room Clearing: Trained in clearing rooms, hallways, and stairwells in high-threat environments. Detainee Procedures: Trained in proper handling, processing, and securing of detainees. Force-on-Force Scenarios: Participated in live scenario-based exercises requiring problem-solving under high-stress conditions.

EDUCATION

Bachelors in Cybersecurity

Southern New Hampshire University | Manchester, NH | Expected: Oct 2025

3.73 GPA | President's List | National Society of Leadership and Success(NSLS) member

Associates of Applied Science in Computer Networking

Brightwood College | Towson, MD | Graduated: Nov 2011
