EXPERIENCE

Lowes, Topeka Kansas - Receiver

03/15/2023- 05/27/2023

The night crew and I would unload trucks then stock the store until the shift was done.

FedEx Ground, Topeka Kansas - Package Loader

08/31/2022 - 03/11/2023

As a package loader I load packages onto the delivery vans. I work in other parts of the warehouse at times such as semi unloading or sorting but overall, most nights I am loading vans. I have been acknowledged many times for my organizational skills and my team-player attitude.

Sonic Drive-In, Council Grove KS — Carhop

09/30/2021- 08/31/2022

My duties as a carhop were to deliver the food to the customers. Although after a few months of working the general manager acknowledged my work and would allow/ask me to watch over or run the store. I have opened and closed this location multiple times as well. I was the only “non-manager” allowed in the cash drawer.

Education

Southern New Hampshire University

Majoring in business administration, concentrating on entrepreneurship.
07/02/2023 - Current

General Education Degree — GED

Approx 03/10/2022 - 06/10/2022

Once the pandemic lockdowns began public schooling became much more complicated. I was confident in my ability to complete and receive my general education degree which opened time and allowed me to work more to gain equity for college.

SKILLS

I am very friendly, and easy to talk to. Reliable.
