PennWest Campus California, PA

Job Experience

McDonalds Crew Member

McDonald's, 9061 US-30, North Huntingdon, PA 15642

Worked a year and a half

- Ringing up customers on the computers for their orders and ensuring the orders were correct and the customers were satisfied.
- Handing out food to the customers through the drive thru window and in store.
- Stocking up bags, food, and desserts.

Goodwill Cashier and Production

6740 Hollywood Blvd, Delmont, PA 15626

Worked three years

- Ringing up customers as a cashier, making sure they found everything easy, and telling them how the system at Goodwill works.
- Working in SL (soft-line) production sorting through the clothes, tagging them and putting the items into the computer software. Making sure they were in the correct places on the sales floor so customers could find the items easy.
- Cleaning up after a shift, stocking the hanger towers, emptying trash cans, and sweeping up the station I worked at.

Nanny

Amanda Revak (412) 973-6342

3 children - ages 5,7, & 12

- Making the children breakfast and lunch, cleaning up the dishes and making sure the table was cleaned after every meal.
- Made sure the children were happy and occupied. I cleaned up after them when they were done with each game or activity.
- I would do educational activities with the children like worksheets, reading books, and also helping with summer school work. We did crafts, went to the local park, and went to the pool on nice days.

Education

Penn-Trafford High School 2023 Graduate

Graduated with highschool diploma and honors

PennWest California University

Freshmen fall 2023

Majoring in Early Childhood Education

Skills

- I work well in team environments or independently. I am a team player and get the work done with help of others or independently as long as the work gets done on the job.
- I am always looking to see if the customers and my co-workers are happy and satisfied. I help solve problems when they are addressed to me.
- A fast learner when it comes to computers, work systems, and how things should be done at the job.
- I am reliable when it comes to showing up on time, making sure my work gets done, and also having my own transportation.
