971-201-0285

## Education and Training:

### **Oregon Institute of Technology**

**Fall 2021 - Now  
(JUN 2026)**

Civil Engineering Masters

Recent relevant classes I have taken:

Elementary Structural Design	CE 341
Earth Pressure & Foundations	CE 312
Engineering Graphics (AutoCAD) ENG	CE 203
Hydrology	CE 374

## Experience:

### **Oregon Institute of Tech. - Director for OIT Gaming Program**

**JUN 21, 2024 – Now**

I organized student gaming events and coordinated Oregon Tech Gaming staff to manage the OTG space for student enjoyment. I also collaborated with other clubs to create memorable events for OIT students. This year, I conducted over 30 interviews for five posted jobs to support the space's operation.

### **Oregon Institute of Tech. - Tech Assistant for Housing**

**SEP 28, 2023 - Now**

Solve technology problems encountered by students living in on-campus housing. Issues range from broken routers to printers that don't work.

### **Dutra Marine Construction - Project Engineer Internship**

**JUN 24, 2024 – SEP 8, 2024**

I worked on the Sacramento River Erosion Contracts 2 and 4, collecting, testing, and logging water samples and tracking job expenses, from the tons of rock placed to equipment usage and crew hours. I also read submittals and ensured that they followed the job specifications.

### **Bremik Construction - Project Engineer Internship**

**JUN 26, 2023 - SEP 1, 2023**

I worked at the Trojan Decommissioned nuclear power plant in the construction of a new office building for PGE. Helping the project superintendent with the submittal and creating RFI, submittals, Redlining, and general work around site documentation.

### **Oregon Institute of Tech. - Treasurer for OIT Gaming Program**

**OCT 2023 – JUN 20, 2024**

Tracked and reported financials using spreadsheets of Oregon Tech Gaming Funds and Staffed the Student Gaming Lounge to ensure a positive atmosphere and help others with games.

### **West Coast Sailing – Fulfillment Services**

**Summer 2021 and 2022**

Responsible for filling and shipping online customer orders. Tasks included organizing the warehouse, labeling, boxing, printing orders, and picking and shipping merchandise.

### **Willamette Sailing Club – Assistant Sailing Coach**

**Summer 2018 and 2019**

Taught beginning sailing to kids ages 7 to 16 for both single-handed Opti's and double-handed C420 boats. Instructed kids how to rig their boats. Planned daily lessons with the head coach.

## Relevant Computer Skills:

MS Excel, MS Word, Fusion360, AutoCAD, Bluebeam, Trimble Viewpoint, Viewpoint Vista, HCSS Heavy Job; familiar with Mac and Windows computers.
