Dear Gabrielle,

Congratulations on being named to the Fall 2022 Semester Dean's List!

On behalf of Monroe Community College (MCC), we are delighted to recognize your commitment, hard work and perseverance. Your academic excellence continues to inspire our faculty and staff beyond measure.

Many students attend MCC, but only a select few achieve the distinction of academic excellence. By earning a semester grade point average (GPA) that meets or exceeds 3.50, you have demonstrated your commitment to academic excellence and your willingness to work toward developing your potential to its fullest. You should take great pride in this accomplishment.

On behalf of the entire Monroe Community College faculty and staff, congratulations on your academic achievement. We hope that you will take time to celebrate your success. Keep up the great work!

Sincerely,

Kim McKinsey-Mabry, Ed.D.
