Dear Gabrielle,

It is my great pleasure to inform you that you have earned a place on the Spring 2023 Dean's List! On behalf of Monroe Community College (MCC), we are delighted to recognize your commitment, hard work, and perseverance. Your exemplary academic performance continues to inspire our faculty and staff.

Many students attend MCC, but only a select few achieve the distinction of academic excellence. By earning a semester grade point average (GPA) that meets or exceeds 3.50, you have demonstrated your commitment to your education and your willingness to work toward developing your potential as a student to its fullest. You should take great pride in this accomplishment.

Congratulations on this fine achievement and best wishes for continued success in your academic career!

Sincerely,

Margaret Semmer, Ed.D.
