SUMMARY

I am a creative and dedicated college student with experience in customer service, sales, and team projects. As an international student staying in Buffalo over summer, I aim to find a job to help me cover my living and housing expenses while acquiring some job experience.

EXPERIENCE

November 2023 - Now

GloBull Ambassador (student assistant), Office of International admission (University at Buffalo)
- Help and connect with prospective international students.
- Proficiently managing and promptly responding to a high volume of emails in a timely and courteous manner.
- Office hours (front desk- Assist pro staff)
- Houst tours (virtual and in-person)
- Social media marketing and content creation
- Collaboration with other university services and clubs
- Host panels and events.

July 2022 - 25 Aug 2022

Software development intern, EXPERT3DEV
- Learned bases of Virtual Basic
- Carried out an entry-level project in virtual basic and SQL (a basic inventory app)
- Learned how developers cooperate and share on collective projects.
- Gathered some experience in coding while foreshadowing my mentor.

May 2021 - Aug 2021

Salesperson, Sofarco sarl (hardware store)

- Gathered a lot of experience with customer service.
- Learned how to work under pressure.
- Learned some business techniques and how to talk to build customer loyalty.
