Work Experience

Maintenance

Walmart - Beaver Dam, KY

September 2022 to Present

Regular safety sweeps of store and cleaning of restrooms, break rooms and trash.

Machine Operator/Assembler

Bel Brands USA - Leitchfield, KY

December 2021 to September 2022

Run and monitor packaging/labeling machine. Change labels for products and production size. Clean and sanitize food production equipment and production areas. Track and monitor equipment downtime.

Material Handler

Delta Faucet Company - Morgantown, KY

June 2021 to September 2021

Located and pulled correct parts for multiple work centers. Moved parts from work centers to line, finished product to completed staging areas. Correctly swapped parts for product change overs. Moved empty totes to holding areas, wrapped completed pallets.

Server

Drifters Brews and Tunes - Beaver Dam, KY

April 2021 to June 2021

Serve customers food and drinks, clean tables, spills. Close down bar at end of the night.

Team Leader

DSSA - Beaver Dam, KY

February 2012 to December 2020

Supervised A3, and individual line workers. Monitored line progress and status, compiled daily information of hourly progress and OA into Excel sheet. Completed PCS sheet to identify on-going problem issues for Engineering to address, ran time study on lines to verify correct work flow and line speed. Fixed minor line issues and problems, troubleshoot robot arms and mechanical issues before needing to escalate- calling maintenance. Maintained and inspected quality goals. Changed machine components and materials for different products.

Kitchen Staff

Beaver Dam Nursing & Rehab - Beaver Dam, KY

January 2011 to February 2012

Washed return food utensils, plates and trays. Helped prepare morning and after noon drinks, set up trays for special diets, filled food delivery cart, set up late night snack cart.
