## Work Experience

---

### **Machine Operator/Forklift Operator**

Microporous LLC-Piney Flats, TN  
February 2024 to April 2024

I was in charge of running a hot press extrusion machine and calendar rolls producing web fed rolls of rubber.

### **Project Manager**

Comprehensive Storm Solutions-Johnson City, TN  
December 2019 to January 2024

I started out as an installer and worked my way up to lead trainer, then assistant project manager, and then to project manager within the first 4 months with the company. I was in charge of a group of 20 crew members who would install water, gas, and power meter solutions in storm damaged areas across the United States.

### **Construction Superintendent**

Daugherty's Electric-Hubert, NC  
February 2014 to November 2019

I was in charge of all crews including rough-in and trim out for the entire company. We done primarily residential electrical installations and service calls over a 150-mile radius of eastern North Carolina.
