### Leadership & Activities

<b>Hippies for Hope</b>	Oneonta, NY
<b>President</b>	Fall 2025 – Present
Manage a team of seven executive board members, prepare and run meetings, and create events and fundraisers with the goal of engaging club members and donating funds to local pediatric units.	
<b>SUNY Oneonta 1889 Society</b>	Oneonta, NY
<b>Student Ambassador</b>	Fall 2025 – Present
Serve on the 1889 Society board as a student ambassador, create bimonthly student ambassador corner stories for the 1889 Society newsletter, and work on a new project each semester to drive engagement in the 1889 Society.	
<b>Hulbert A Hall Government</b>	Oneonta, NY
<b>President</b>	Spring 2025
Preside and run all hall meetings, set agendas for meetings, maintain responsibilities of booking rooms, catering, organizing committees, and overseeing events, and represent the Hulbert A Hall.	
<b>Major Connection Program</b>	Oneonta, NY
<b>Sophomore Coach</b>	Spring 2025 – Present
Mentor a sophomore student at SUNY Oneonta, meet with the student at least monthly, complete goal setting, review experiential learning opportunities relating to the student's major, and review how to maximize tools such as Degree works.	

### Professional Experience

<b>Vintage Valley Farm</b>	Delhi, NY
<b>Barn Volunteer</b>	Fall 2025 – Present
Maintain clean and safe barn environments by cleaning stalls, refreshing bedding, and sweeping walkways, feed and water horses according to dietary needs and individual schedules, groom horses before and after lessons, and assist with basic veterinary care.	
<b>SUNY Oneonta Student Admissions</b>	Oneonta, NY
<b>Tour Guide</b>	Spring 2025 - Present
Conduct campus tours for prospective students, families, and visitors, tailor tours to meet the specific needs of visitors, answer questions from prospective students and their families, and maintain an enthusiastic, professional, and welcoming demeanor.	
<b>Empire State Service Corps</b>	Oneonta, NY
<b>Civic Engagement Member</b>	Fall 2024 - Present
Serve with local nonprofits in nonpartisan voter outreach, promote safe-space discussions such as after elections, participate in community events and town/city meetings, serve as a liaison with community organization Club Odyssey, and create events relating to student civic engagement.	

## Ellie (Elisabeth) Vogl

### Oneonta Veterinary Hospital

#### Veterinary Assistant

Oneonta, NY

Fall 2024 - Present

Assist veterinarians with restraining animals and billing appointments, sterilize and prep exam rooms for patients, fill prescriptions, prepare vaccinations, run lab tests in the clinic, and interact with clients.

### SuperHeroes Humane Society

Oneonta, NY

#### Intern and Volunteer

Fall 2024 – Present

Work as an intern in all parts of the animal shelter; in cleaning, socializing animals, completing administrative work, customer service, animal intake, and observing veterinary tasks such as spay/neuter clinics. Properly administer medication and non-vet required vaccines, test blood for FIV/FELV when assisting with intakes, and prepare additional vaccines.

### Monroe County Health Department STI/HIV Office

Rochester, NY

#### Office Clerk IV

Mar 2024 – Aug 2024

Input confidential STI/HIV health information into NYS databases, collaborated with providers to check on patient treatment, designed a community outreach handbook for sexual health, attended NYS DOH meetings, and served the public at outreach events.

### City of Rochester

Rochester, NY

#### Rink Manager

Oct 2022 – Apr 2024

Managed a busy ice rink with hundreds of patrons, wrote injury, incident, attendance, and cash-made reports, managed and deposited money, resolved employee disputes, managed the cash register, patrolled the ice, and used first aid skills when necessary.

## Research Experience

### SUNY Oneonta

Oneonta, NY

#### Parasitology

Fall 2025 - Present

Participate in field work to collect and dissect potential parasite hosts, properly fix and mount parasites, utilize microscopy to view slides, and aid in compiling a survey of fish parasites in Otsego Lake in 2025.

### Tokyo Metropolitan University

Tokyo, Japan

#### Mouse Research – Molecular Neuroscience and Neurobiology

Summer 2025

Conducted mouse research in a 1-month internship, designed an experiment with three replicate trials, practiced mouse handling in care and behavioral experiments, performed procedures to collect, slice, stain, and view the mouse brains, analyzed data, and presented experimental findings.

### SUNY Oneonta

Oneonta, NY

#### Herpetology

Fall 2024 - Present

Collect salamanders in joint sampling days, take data such as sex, mass, and length, add PIT or VIE tags to mark new salamanders, and photograph and analyze morphological characteristics in ImageJ.
