Noah Brown

201-783-9859 | BrownNR9@MiamiOH.edu | www.linkedin.com/in/NRBrown28

EDUCATION

Miami University   **Oxford, OH**
Bachelor of Science   Expected May 2028
Major: Computer Electrical Engineering
GPA: 4.0
Honors College: Designed a functional electric guitar
Researching and designing humanoid robots in Robotics Club
Coordinating with team members to perform in Miami University Marching Band
- Performed with Snoop Dogg at the Snoop Dogg Arizona Bowl

Organizing and executing social events for Community Leadership Team

Mahwah High School   **Mahwah NJ**
Led a group of peers in my Eagle Scout service project   June 2024
Developed problem solving skills as a Boy Scout (2015-2024)
Designed and prototyped an electronic interactive board game using Arduino and Onshape
Tutored my peers as a member of National Honor Society

EXPERIENCE

Institute of Electrical and Electronics Engineers (IEEE)   **Oxford, OH**
Independent Researcher   December 2024 - February 2025

- Conducted in-depth analysis of scholarly references to support the research paper "ChatGPT: The Bittersweet Nightshade Fruit of AI"
- Synthesized technical insights from academic literature into published reviews

Nobel Biocare   **Mahwah, NJ**
Engineering Extern   July 2023
- Utilized CAD and CAM software to design custom dental prosthetics
- Learned and contributed to engineering processes, emphasizing efficiency and waste reduction
- Explored diverse engineering careers, demonstrating adaptability

Chili's   **Ramsey, NJ**
Food Runner   January 2024 - Present
- Succeeded in a fast paced environment when balancing numerous orders
- Provided customer service by addressing guest needs and ensuring satisfaction
- Paid attention to details ensuring orders are correct before plates leave the kitchen

Mahwah Rec   **Mahwah, NJ**
Tennis Instructor   July 2023 - August 2023
- Planned and executed age appropriate activities to learn tennis skills
- Maintained a safe environment by enforcing safety guidelines and monitoring student behavior
- Promoted discipline and teamwork through group exercises

SKILLS

- Java, Python, Arduino
- Communication: Proven ability to communicate effectively with diverse audiences.
- Adaptability: Quick learner with a flexible mindset to adapt to new challenges.
- Problem Solving: Applied analytical and critical thinking skills to address challenges efficiently.

AWARDS

President's List, Fall 2024
Miami Univ. Redhawk Excellence Cash Scholarship
Tournament of Marching Bands Cash Scholarship
Elks Lodge 1941 Cash Scholarship
Eagle Scout, January 2023
Mahwah, NJ Historic Preservation Award, May 2023
Gold Thunderbird Scholar Award, 2022-2023
Louis Armstrong Jazz Award, June 2024
