Education

Miami University, Oxford, Ohio

Full-time student, Freshman, Studying Business Analytics, Entrepreneurship, and Accounting

Expected Graduation: May 2028

GPA: N/A (First Semester)

Work Experience

Beaver Vu Bowling

September 2021 - April 2023

1238 N Fairfield Road, Beavercreek, OH, 45432

Youth Mentor/Porter

- My first ever job, I gained a lot of experience in leadership and teamwork, managing the participants and the lanes effectively.
- I learned about time management and work-efficiency, planning how I would manage food delivery, cleaning lanes, and teaching children how to bowl.
- I had brief work in the accounting side of the After School Bowling Program, helping my boss count registration fees and weekly program fees, and managing what still needed to be paid.

Knickerbocker Pools and Spas

May 2023 - August 2024

4001 Dayton Xenia Road, Beavercreek, OH, 45432

Retail Worker/Assistant Manager

- Started out working as a general retail employee, mainly focused on stocking, helping customers with their pool and spa problems, and handling company orders for our store.
- My second season, I was promoted to assistant manager, where I learned about opening and closing, and the paperwork associated with each, exposing me to the accounting/financial aspects of running a business.
- I learned invaluable skills about experiences and knowledge of operating a business, such as order forms, deposits, store summaries, timecards, and supply, while learning about management and leadership from my mentor and manager.

Campus Involvement

Club Dodgeball

Member

- Casual games of dodgeball, also consisting of tournaments and competitions with other universities. Went 3-0 at our first tournament.

Volunteer Experience

Community Trash Cleaning

Beavercreek Community, Beavercreek, OH

- For three days, me, my friends, and other community members went to multiple hiking locations around Beavercreek, OH, cleaning up the trash that was scattered around the parks.
