PROFILE

As a senior at the University of Louisiana at Monroe, majoring in both Biology and Psychology, I am passionate about pursuing a career in healthcare. My academic journey has equipped me with a deep understanding of biological and psychological principles, and I am eager to apply this knowledge in a practical healthcare setting. I completed and graduated with both BS in Biology and BA in Psychology in May 2025. I would greatly appreciate the opportunity to contribute to your practice and gain valuable experience in any clinic setting.

My goal is to support healthcare teams and enhance patient care through my dedication and expertise. I am open to opportunities such as working as a medical scribe, healthcare assistant, or in any other capacity, whether paid or unpaid. I am particularly interested in gaining Direct Patient Care and shadowing experience as I work towards my aspiration of becoming a Physician Assistant.

WORK EXPERIENCE

Assistant Manager

Massage Envy-Monroe

April 2023-Present

Responsibilities: Sales associate, scheduling appointments, phone reception, help maintain a clean clinic, promptly handle any problems that occur, set and meet personal and clinic goals, take care of customers and clients before and after their session, create schedule for therapist, Esti, and front desk.

Scout's (RSO) Supervisor

University of Louisiana at Monroe- Athletics

August 2021-Present

Responsibilities: Make schedules for Scout's, track Scout's involvement within the RSO, handle problems that occur during games, promote student involvement at games, communicate with Scout's, fans, coaches, etc.

Private Family Nanny/Babysitter

May 2017-Present

Cashier

Tiger Island Hardware

July 2020-April 2021

INVOLVEMENT

Tri-Beta

This is a Greek Honor Society made for academically successful undergrad biology students. The goal of this organization is to improve the understanding and appreciation of biological study. I do volunteer work with colleagues, professors, and people within the community in different studies, community activities, campus involvement. For Tri-Beta, I am the elected Regional Communications Chair holder and Alumni Communications and Involvement Chair holder. In both positions, I communicate with past and current Tri-Beta members within our chapter and other chapters in our region to initiate collaborative work.

INVOLVEMENT

Alpha Epsilon Delta (AED):

This is an honor society for students pursuing a career in the healthcare field. Being involved with AED gives me opportunities to work and volunteer in different healthcare settings resulting in more experience and knowledge of the field.

Scout's (RSO) Supervisor:

Scouts serve as ambassadors for the University of Louisiana at Monroe by attending various athletic events while also promoting school spirit and assisting staff, players, fans, coaches, etc. This is a scholarship opportunity open to all ULM undergrad students. As the Manager, I ensure all scholarship holders are assigned games to attend along with their jobs, I report to all home games to help provide any needed services. This aided me in bettering my leadership skills and helped me learn how to stay organized with not only time but paperwork and tracking.

ACHIEVEMENTS
